# ABOUT MINEX CENTRAL ASIA FORUM

2025  
**CENTRAL  
ASIA** MINEX  
TASHKENT

The 11th MINEX Central Asia Forum 2025 will be taking place on 24 and 25 June 2025 in Tashkent under the central theme “Forging Central Asia’s Role in Global Critical Minerals Security”.

The Forum is organised in partnership with the Uzbekistan Technological Metals Complex (TMK).

The forum plans to host representatives from the “Big Five” Central Asian nations, namely Uzbekistan, Kazakhstan, Kyrgyzstan, Tajikistan, and Turkmenistan, along with strategic partners from the European Union, the United Kingdom, the United States, Azerbaijan, Turkey, Middle East, South Korea, Japan, Australia, and Canada.

In an era defined by the global energy transition, the demand for technological metals is unprecedented. This Forum marks a significant step in positioning Central Asia, and Uzbekistan in particular, as a critical hub in the global supply chain of essential raw materials.

This Forum is designed to showcase Central Asia’s rising leadership in shaping Global Critical Minerals Security, attract strategic partnerships, and facilitate high-level discussions on regional integration and supply chain resilience.

Our collective aim is to present Central Asia as a reliable, neutral, and proactive partner in the competitive global raw materials landscape. Through knowledge exchange, capacity building, and collaborative initiatives, we will pave the way for a future-ready ecosystem of talent, technology, and trust.

The two-day program of the Forum features the impactful sessions, trade show and business-matching sessions.

On 24 June the Forum will be discussing Strategic Vision and Regional Collaboration for Partnerships for Critical Mineral Ecosystems.

On 25 June the Forum will highlight projects and initiatives to Building Resilient Value Chains for Rare & Strategic Metals, Uranium and Precious metals.

On 26 June the participants will have the opportunity to visit the future Tashkent Technopark which will become Central Asia’s largest integrated producer of molybdenum and tungsten added value products.

Join us as we explore the opportunities and challenges that lie ahead and chart a course for sustainable and ethical development in the critical minerals sector.

# EXHIBITOR CONDITIONS

2025  
**CENTRAL**  
**ASIA** MINEX  
TASHKENT

An exhibition and networking sessions will take place in the foyer of the main conference hall throughout the two-day forum.

The elegantly designed indoor exhibition hall offers a premium space for showcasing your brand. The venue features a grand, warmly lit hall with gold-accented ceilings, plush patterned carpets, and strategic booth placements to maximize interaction, visibility, and brand presence throughout the event.

Exhibitor prices:

Pay **before 15 May** - 3,500 USD

Pay **before 15 June** - 4,000 USD

Pay **after 15 June** - 4,500 USD

# EXHIBITOR PACKAGE INCLUDES:

2025  
**CENTRAL**  
**ASIA** MINEX  
TASHKENT

## **Pre-built exhibition booth**

- See description below.

## **Admission to the Forum**

- Two passes with the full access to the Forum's sessions, coffee breaks and lunches.
- Two delegate packs with the Forum's program and printed materials.
- Ability to purchase additional passes to the Forum at 50% discount rate.

## **Web application**

- Each participant will be provided individual access to the web application a few days before the forum, enabling you to schedule meetings with fellow participants and exchange electronic business cards.

## **Corporate profile**

- Each exhibitor profile will be listed on the Forum website and Web Application. Exhibitors will be able to modify their profiles via personal dashboard and include company logo, company description (up to 250 words), links to the company website, social media, contact information and contact form.

## **Corporate presentation**

- Each exhibitor can book one 10-15 minute presentation at the Forum. The time and session will be allocated closer to the event.
- Additional benefits include:
  - Listing of the presenter's profile on the website and web application.
  - Video recording of the presentation.
  - Dissemination of the presentation materials (e.g. slides) to participants after the Forum.

# EACH EXHIBITOR BOOTH INCLUDES:

2025  
**CENTRAL  
ASIA** MINEX  
TASHKENT

- Modern style pre-built exhibition booth designed to minimise the preparation effort and maximise interaction, visibility, and brand presence throughout the event.
- Booth dimensions: 2 x 2 meters
- Prominent branding with your logo <sup>1</sup>
- A mounted digital screen for multimedia presentations <sup>2</sup>
- Counter space for displaying brochures, giveaways, or interactive displays
- Electrical power access

Construction of a booth made from MDF material, measuring 2x2 meters includes: a kiosk with dimensions of 1.2 meters in height, 80 centimetres in width, and 60 centimetres in depth; a logo; a back panel measuring 1 meter in width and 2 meters in height; and rental of a TV screen.

## Notes:

**1. Logo Requirements:** Please provide your logo in a vector (curves) format (EPS, PDF, or AI) file.

**2. Video Display:** The digital screen supports USB playback of MP4 videos in HD, Super HD, and 4K resolution for a 16:9 aspect ratio. Please upload your video to a cloud file sharing service and send the download link for testing before 19th June to [secretariat@minexforum.com](mailto:secretariat@minexforum.com).

## ADDITIONAL OPTIONS:

	What's included:	Cost
<b>Video advertising</b>	On-screen demonstration of a video clip in the conference halls between the sessions of the MINEX forum. The duration of the video clip should not exceed 180 seconds. The demonstration is made in rotation without sound.	<b>600 USD</b>
